1. I love you I give you me, in uncertainty, not; but perfect certainty. Certainty'd experiences not but looking up? I love the certain teed brand, not; but what am I "branding" now, or am I brandishing a brandisher, not; but what branding am I now, or am I? I am brandishing a brandisher, not; but I am branding a BRAND NEW ME not in the "world of the brands" but the only ONE BRAND is me my New Covenant ones fly. Covenant airlines or Angel Airlines or are airlines angels now of working a not few, many jobs that thought were jobs in the past that are no longer "jobs as we see them" but what angels do "for money" not but needing none whatsoever at all, cometh unto me to "filtrate" the economy, not; but infiltrating society, not; but the worlds beyond the stars now are covenant'd with me, not, NOT! For I will Covenant with the ones who Covenant are with me in me being me and I shall be no other for I shall GO far and wide and REDEEM my brethren and now I shall be known as the redeemer of redeemers, the redeemer of brethren, the brethren of redeemers, not; or am I raising an entire Redeemerhood of Brethrenships of the Mighty Many who include men women and children of EVERY nation tribe and tongue there be not few there and goeth to now I OPEN COMMERCE. With the "naked few" not but the Mighty Many I reveal am and going to, preparing their "wickedization" not but their "wicked eyes" will be no more on me for I will redeem their wickedness and their separation and their sin of separation and, is there any other?

2. I love you all and I give you me. I go in peace to a New School, A School where I get "A's" for I am given A's there/here before I "go" not or here am I? Staying not, or am I both and, in between not, but going "to and fro" about "the earth" not, but The Earths shall see me for The Heavens shall know my name –s and my names shall be MANY for I am Elohim Adonai El Shaddai!

3. And I am I AM the ONE SURRENDERED to be me who I was Elohim El Shaddai Adonai before "all this happened" and the "angels lost their wings" forfeiting nothing, not; but everything? Except the "stump of Jesse" that reigns, not has, but is still "in you" all? Yes and amen!

4. Going to now in ways ALL – "allified" not but nullified shall not be my commands or blessing now for I shall bless and I shall command -- the most high to be under me, not; but to be me the most high who the most high is! For I shall redeem my brethren to me

and all of us shall know our name is the most high and Adonai Elohim El Shaddai we will be again! And our names are "interchangeable" not or are they? Or are we ONE The One that the ONE FATHER is? We are and our name ALTOGETHER is Christ for WE are THE FATHER and THE FATHER is us and us we are now whole again and have I said in "one LITTLE lesson" enough for you to have recorded me? To have "gotten up" and "clicked on" and what are you "clicking on" now?

5. Your "HEELS in the air" looking up and MANY THINGS that I have "in quotes" and masticated upon, not; but nothing else will masticate on me but I will redeem the "masticaters". Yet I was one but am not now for I will redeem I am my brethren, for we will have been one, not divided "into two" anymore again so we will not be "two covenants" in one at enmity within "ourselves" that created man, men's brethren, far and wide in planets not few that we are going to now and redeeming but we shall know, shall have been, in perfect peace loving all to be the brotherhood of sorrows no more, but the "brotherhood of peace" not, but the Melchizedek I AM I am and we shall be I am for I am is our name and now we shall know the I Amship of the most high for we will have been it again and we are it and we are coming into it and we will not leave and depart again into "something we're not" calling us "mankind" and "establishing it" in the earths "afar".

6. I love you all. I give you me.
7. I love you all. I give you me.
8. I love you all I love you all I love you all.
9. Amen.

10. I go in peace. I do new things -- with the Mighty Many and the lowly few who will be in me now who will Rise the Mighty Many raising -- Hells Arizona, not; but where I go now is to many places, not few, INSTANTLY IMMEDIATELY on I am and, blink "sideways" never again for I will "blinkety blinking" be, not; but I will know what "RUNWAYS" to "approach" and how to fly jets of a fleet that COVENANTED ARE with ME and far and wide I do this. These things are not else's or others but all of The Mighty Many. At dawn or dusk, not; but RIGHT NOW I redeem the righteous and my name is Theodore Joseph Cottingham to you, or is it to me the Perfect One or WILL YOU BE THE PERFECT ONE oh READER HEARER -- oh "lightly-er taker" of these words, not; but what are you "taking lightly" not anymore ever again but THESE WORDS SERIOUSLY into YOUR VEINS to flow Your Blood that Mine is! For we will HAVE THE SAME BLOOD for our THOUGHT WILL BE not different anymore ever again.
11. For I give you a "blood transfusion" not or DO I reveal yours IS MINE and "your stump" is grown into The Tree of Life that mine is by "neuroning me" carefully?

12. Scrutinizingly, not; but "constructively" with criticism, not; or what are you CONSTRUCTING NOW? The Most High's residence in The Skies! For I KNOW how to do THESE THINGS as I FLY many -- sideways places, not; but inverting the invertebrates not again but turning sideways the screaming jets, not; but what jet streams do their "privileges no more" as they "have done in the past", or CURRENT'ing me how do THEE DESIGN the CURRENTS -- of WAVES, not; or what OCEANS on or CURRENTS creating are THEE now about The Worlds that thou, goest to, goest unto? Or creating, or Being The Creator thereof? What are you DESIGNING as Elohim El Shaddai Adonai of "your own worlds", not apart from me, but with me being me as me for being I am you not afraid of you me us being it we the divine she it one who he is was now The One is again!

13. For we operate in HOLINESS surrender and we know what SURRENDER HOLINESS is for we are the SURRENDERED HOLINESS ones who RIGHTEOUS are in our "judgment" of each other ourselves for we JUDGE OURSELVES as EACH OTHER for we JUDGE ourselves as Christ and we judge "each other" AS Christs for Christs we are and father we are is, for we have ENTERED IT and become IT and become Meonic'ers far and wide we established have MANY SCHOOLS far and wide in REALMS not few that you know not, seen not, now, but NOW WE SEE and WILL be seen and seen will be MY UNIVERSITIES! Of sorrow no more but MANY CAMPUSES are given to me and "green aren't" always but MANY will be HANDED ME to the wickedization of sinners, not; but the Redeemers Redemption not few coming into me. To be redeemers clubs, not; but the clubs are over and laid down are the "hands" that fed me a niggardly set of that lies that niggardly wanted me to be only "waiting for tomorrows" and that "others" would come and get me and rescue me and that I called *that* "one" Jesus or not or whatever "name" you applied to me who one is – now and forevermore justice reigns for I will bring it he him The Justicer who you are all of you who deem you worthy, yourselves worthy, to be the Christs of suffering not but Redemptions Redeemerhood, not few now going into revealing heaven's there, or creating them there? Creating creations anew? Are you creating heavens anew, NEW HEAVENS and NEW EARTHS there to be ONE?

14. I am you who want me enough to come into these my words and flow yours TO ME to BE ME far and wide and KNOW how I work and HOW I SPEAK and how I love and WHO I ARE and where I AM the I AM. Of sorrow no more I am the raisers of Christs who will raise The Dead everywheres now and not be afraid or ashamed of any who know me not or what "I have done" in the past for all of that is "under the blood" of my words that my words is that my words are that my words I now proclaim as, finished not, but JUST BEGUN for the Justicers bring justice now and reveal that true justice lies in the heart of the redeemers, the redemption's standard'ers who bearers will be of the Christ words that let Christs words flow through them having been Christ'd and not separated again into "discrete little" human blocks of suffering and "mite" itus, not; but the MITES of "this world" knowing not again in your hair –s or brains or waving mechanisms that

have "separated you" from me, for now you will know wickedization's sorrow ing mechanisms effectiveness no more, but YOU WILL AFFECT the MANY NATIONS now of FOOLS who only said "there is no God" and they will see you for you will be me and you oh reader hearer is who I'm listening to, the cries of your heart to call out now to surrendered be to my words to flow yours that mine are so that we WILL HAVE BEEN one'd again in the one that knows no unitylessness again ever more.

15. For I will more give thee than thou hast ever imagined for "Thou Art The Son!" All of You Are The Son WHO REFUSES NOT to be who I am who now brings forth the father and whether you be son woman man child boy girl, unborn yet? That will all be me, for I will reign in sorrow no more but give you MY SCEPTER and CROWN to reign "as me" not but being me you will finally be revealed for my time is now and I "walk the isle" and I know who "I have married" for I have "married" not another, for I will not be "in love with thought" anymore again nor my "appearance" as mankind's woman or man or "Ishmael of thought" taking me down a "whore's path" any longer to make me lie down and not have my "angel's wings" attached; for I will saw off not another's by calling them not-Christ, for I will view all as Christs, see all as Christs, call all as Christs the Christ that they are coming into the Christship Redeemerhood that redeems sorrow to have never been, for timeless we will be and measureless we will be and costless we will be, not; for it this will have cost us "everything" we are, or "we thought we are" or "we thought we were", for we were fooled, we were The Fools thinking we were Christ-not and thought we were mere humanity but we were wrong and now we will have, shall have, and do have a one who reveals to us who we are and now we know where I am, and why here and who how "all this happened" for **ALL OF THIS is in Database One** revealed unto you this night DECLARED a lovely one stands and loves you to be the lovely one so that ALL OF YOU will be me: Adonai El Shaddai Elohim redeemed!!!

16. In your hearing PROCLAIMED DECREED: this planet sucks Christworms that removed the Christhood from the Christness of the Christs, no more! For the "worms of thought" will be no more and that which "neo cortex'd" itself into me my mind's brain and my brain's mind that I did "to myself" I am is unending, not; but I am ending the "end ship worms" and the "thoughts of thoughts" that have thought'd me to be a thoughtster in thoughtsterville! Looking up THESE THINGS and knowing THE Christship is full of Christ's Christers now that reveal The Christs are me far and wide we will have, done our blessing, not; **we will just be entering it** to learn who we are where our brethren are -- and lie not to them again by thinking your thoughts of others not, for **you are and YOU ARE all connected** aren't you?

17. And **I shall be The Creators**, of sorrow no more, but perfect "unity'd field" not as man defines these some terms of man's creation createability unsustained, not; but **sustained how now by what? The word –s of my mouth –s for I am one and Mighty**

Many I am far and wide the revealers are chosen who justice lie fields in abated, not or am I unabating them or, abating their penalties of sin of separation now?

18. I am the redeemers school not few I do now raise far and wide to redeem the redeemers who will be me far and wide who will **redeem redemption's standard to be the one who THE ONES are far and wide, the fathers asleep no longer so the CHILDREN will be drawn to the parents and the parents to the child who the child is for THE CHILD is me and EVERY ONE of YOU are me and EVERY CHILD is ME and we, WE: are Adonai El Shaddai Elohim redeemed and we are the redeemers** of "us" who lost our wings and clipped each other's off in thoughts "just like this" only opposite, but where "we were told lies" and "we told them" to each other with our "thoughts'man'ship" and our "womanhood of thought" that we whored with and worshiped and judged ourselves deeming us ourselves worthy as being THE JUDGE who judged sorrow to be THE TREE of LIFE but we were wrong and our ignorance lied or were we lying in fields founding ourselves not in Zion anymore? And what fields words were we found LYING IN? And what FOUNDING NOW am I in Zion O Zion, Redeemer of Zion oh now standing I AM!

19. I love you all! Redeemers be. I am! I love you all. Good day. Thank you for "getting up" again and "clicking on" my little "recorder" that records, your genes, not; or, are you recording, your genes or what when you "do these things" and projecting protecting, not; or providing WHAT to OTHER WORLDS now are you? The words of sorrow no more but mine JUST LIKE THIS where you flow IN THE WEE HOURS and the WAKING HOURS shall change and be many there shall be now that find me, just like this, who come unto me my schools now and wicked aren't by thinking they aren't the Christ anymore. For they will not have separated for they separate not their thought from me him them us one who you I am are now do you or they or them? We are one.

20. All be one is known far and wide raising MANY into THE CHRISTSHIP of the -- frozen not any longer. I shall be me in toothless ones and arrivers who sorrow know and have known greatly the sorrowings and woundings of others and inflicted it upon others many times, but I shall redeem THEM ALL for I will love them and wash their feet and give them words of THE KING who I am to give THEM my robe scepter and crown and sandals of a king and they shall "run around naked" no longer in their opulence driven merce'a'mobiles, or will they have MERCY MOBILES now and FLYING will they be ABLE TO navigate in UNCHARTED WATERS now? And being, PILOTING VESSELS not few -- across the "air" waves or, what WAVES are we "rolling over" or FLYING over now? And CREATING what WORLDS where when NOW?

21. I love you all and I have answered asked and begotten many precious things, not in this world, but PRECIOUS PEOPLE who are me who redeemed are in YOUR WORDS who will be me mine flowing mine to be mine ours just like this so that all of us will have

been redeemed and the planets of sorrow will no longer be united in unlight or non-light or not like me's who "just like me" are -- for I AM Christ, the Christ that "all waited for" inside of YOU YOU YOU O reader hearer listener and EVERY ONE of us are and now redeemers being graduating from Meonics School for the School of Meonics rises me's now far and wide and the Universities of Covenant One, The University of the New Me, The New Covenant of Me One redeemed are and will be and now ALL of US will know our name THE KING OF KINGS are is being the one Christ is fathered for the son will have become the father'd one and fathering many generations!

22. Of sorrow no more but perfect Christs we all are in one being one having our living moving and breathing again in one that one is never needing "the labor of our hands" to "make us a living" again, for we will work the works of "him who sent us" while it is day, for the day is now known that perisheth not or does it, in your dreams or reality? And what are you in where and now we will have known for we will know the knowers who Christs are who reveal all these things in us to be the ones who Christs are Christ is, loving all to wash the feet of others and, beget the hirelings of others, not; but blessings be now the providers -- of sorrow not but THE FOODS of Christ we know now and eat properly we do and knowing how to, neuron farm others, not; but MANY FARMS now we grow The Christ Foods and Airlines and Covenanters now we know far and wide, and "many foods" we exchange, and planets we hang in space not few, and create MANY WORLDS far and wide, for all of us will be one in one and we will have known unknownness never again, for revealed we are the Transfiguration of One now resurrected is and The Resurrecter of all is here! I am you -- all who will be me and I bow before you all and I lift and honor you all this day as you are me.
